Hi Elaine, are you able to determine if the Plan of Operations was issued under the FS regulations at 36 CFR 228, Subpart A? What mineral commodity is of interest? That info will help me assess which part of the Fs minerals program this falls under. Best, LM

Liane – Hope all is well with you.

Jim Smalls mentioned you might be able to assist, and if not would probably know who could. If you have about 20 minutes sometime this week can you give me a ring? Want to chat briefly about this process.

I work 9:30 AM – 7 PM and my number is below.

Regards, E...
